council. The service would have been for the purpose of operating an elecuric heater. Council instead suggested that IRC purchase a circulating oil heater.

Town manager W. S. Slagle informed council that the existing contract for electric service with Virginia Electric Light and & Power Co. had expired and that a new contract has not been negotiated.

Council voted to continue paying VEPCO at the same rate called for in the old contract, but to deposit in escrow funds equal to the difference in the old biling rate and the rate now being billed by VEPCO.

Council also discussed plans for erecting a fence between the parking lot adjcent to the old Norfolk and Western Depot and the railroad tracks and to pave the parking lot.

The Arts and Crafts Center, now housed in the old depot, was given an extention on their lease. The lease will now expire in December.

Education Center

Cont'd from Page 1

The Adult Education Center will provide instructional facilities for the adult basic education program, which is designed for adults who did not complete the 8th grade, and who wish to improve in the areas of reading, writing, and arithmetic. A special grant of approximately $7100 was provided by the Adult Education Service of the State Department of Education to equip the Center with audio visual equipment, study c a r r e l s, chairs, tables, and instructional materials.

The Basic Adult Education program is free to anyone 17 years of age or older who would like to continue his education. "We are equipped in this Center to teach reading, writing,and arithmetic even to an adult who never attended a day of school in his life," stated R. B. Carter, who is the Director of Vocational Education and coordinates the Adult Education program for Appomattox County.

The public is cordially invited to attend the ribbon cutting ceremon; and to inspect the facilities of the Center. Mrs. Phyllis Byrd, Adult Education Supervisor for the State Department of Education, will appear on the planned program and will make remarks concerning adult education.

Rescue Squad

Cont'd from pg. 1

Due to the time involved in a door-to-door canvass of the entire county by members of the ACRS, plus time necessary for training programs, plus time away from home for regular business meetings, plus time away from home mornings, evenings and nights on rescue calls (emergency or otherwise), members of this fine volunteer organization have decided to make their canvass in the same manner used last year . . . therefore, there will be no door-to-door canvass this year. Spot locations have been set up throughout the county and squad members will be there to accept your donations.

On Friday night, Oct. 4th, and all day on Sat., Oct. 5th, squad members will be at Wilbun's Super Market and at the Triangle Plaza Shopping Center to accept donations from citizens of the town and county.

On Saturday, Oct. 5th, members will be at Wilbun's Super Market, at Triangle Plaza Shopping Center, Spout Spring, Oakville, Evergreen at Campbell's Store in Promise Land, at Chamber's Store in Red House, in Vera, and at Harvey's market and at the Post Office in Pamplin.

Please cooperate this year as you did last year and stop by the location most convenient to you and make your contribution to this worthy organization. You may donate to any member of the Appomattox County Rescue Squad or you may mail in your donation to Appomattox County Rescue Squad, Fund Drive, P. O. Box 57, Appomattox, Va. 24522.

The 1974-75 Fund Drive is headed by Pete Doss, President of the ACRS. Ray Noble is Finance Chairman for this year and serving with him are Mrs. Nellie Paulette Almond, and Pete Doss. Kelly O'Brien is Chairman of Publicity and Advertisement and serving on this committee are Beck Hudsopn, Nina Beasley and Richard Bartelt.

With your continued cooperation this fund drive will be the success that it has been in years past . . . . it takes donations from the citizens of this county to "keep the wheels rolling".

Burke

Cont'd from Page 1

Association. He served on six educational survey commissions appointed by the State Board of Education to study educational facilities in other school division in the state.

Burke was honored in April of 1968 by the Masons of Monroe Lodge 301 AF & AM and a 50-year membership pin was presented at that time. He was initiated into Masonry on October 6, 1916, and rose to the degree of Master Mason in 1917. After serving as junior deacon, senior deacon, junior warden and senior warden, he was elected worshipful master in 1922.

Until his last illness, Mr. Burke continued the awarding of the Richard F. Burke Gold Metal, initiated by his father in 1910, to the graduating student with the highest academic score. The Burke Gold Medal was quite possibly the oldest award given in the state of Virginia and definitely the oldest in this area.

He was a member and an elder in the Appomattox Court House Presbyterian Church, a member and past president of the Appomattox Lions Club. He was a member of the Board of Directors of the Bank of Appomattox of which his father was a co-founder, and a member of the local advisory board of the Fidelity National Bank until his retirement in 1972.

He is survived by two sons, Jerry Allen Burke, Jr. of Richmond; Richard F l o y d Burke III of Appomattox; and a daughter, Mrs. Jane Burke Williams of Brookneal; 10 grandchildren and 12 great grandchildren.

Funeral services were conducted at 2 p.m. Sunday at Appomattox Court House Presbyterian Church. Burial with Masonic rites was held in Liberty Cemetery.

Robinson Funeral Home in Appomattox was in charge of arrangements.

East & West S. S. Union To Meet Sunday

The East and West Bound Sunday School Union will hold its annual meeting this Sunday at the Mount Pleasant Baptist Church at 10 a.m. All schools are asked to send delegates. The local school will be responsible for furnishing the welcome and lunch will be served. All superintendents are asked to be present and bring in a list of their accomplishments during the year. The pastor of the church will be asked to bring the message. The general public is invited to attend.

An unusually large crowd attended the Union Baptizing services at the Promise Land Baptist Church last Sunday morning at 10 a.m. The pastor of the church conducted the devotionals and the Rev. H. O. Flood conducted the baptismal rites. The services were very impressive. Twenty candidates were baptized. The regular worship began at 11 a.m. and the pastor of the church delivered a challenging message to the young candidates. The Lord's Supper was served at the close of the morning message. Over twenty deacons from the different churches will close on the second Wednesday in November at the Galilee Baptist Church with a special chicken dinner furnished by the assembly.

Mr. and Mrs. Melvin Pennix have returned after spending a vacation in New York with some of their grandchildren.

Mrs. Juanita Schrock has returned to her home after spending two weeks here with her parents, Rev. and Mrs. Lawing.

We are happy to report that a large number of local high school graduates are attending college this year.

GM to Market Advanced Auto

For almost four years the media has been lending space to announcements that GM was about to give birth to a baby Cadillac. The prolonged labor has finally produced results and you can expect the LASALLE to debut in February.

Cadillac's baby wonder is the biggest news to come out of Detroit since the original Mus-tang. The LaSalle may well be the most advanced, best performing, best handling, best-Cadillac ever built!

VA Notes

Q - Since the last Civil War veterans died several years ago, aren't the veterans of World War I the senior living veterans group?

No. - No. As of July 1, 1974, according to the Veterans Administration statistical publication, "America's Wars," there were 1,372 living veterans of the Spanish-American War.

Is the Veterans Administration helping blind veterans through technical research?

A - Yes. Among some of the projects are ultra-sonic eyeglasses that indicate to the blind person his distance from an object, a laser cane that emits beams to detect obstacles and two machines that enable the blind to read.

Q - With all the GI Bill help for veterans who want to go to college, why can't the government do something for the kids who dropped out of high school to go to war?

A - Increasing numbers of so-called educationally disadvantaged have trailed since enactment of the current GI Bill in 1966. In fact, a recent check showed a total of 858,000 had trained - - a sizeable 38 per cent jump in the number who had trained a year earlier.

Kindergarten Celebrates Mickey Mouse's Birthday

September 19th was not an ordinary Thursday for the Kindergarten classes at Appomattox Primary School. It was Mickey Mouse's Birthday! During the day, the kindergarteners colored and cut Mickey Mouse Masks, sang the Mickey Mouse song and even ate Mickey Mouse birthday cake. Pictured is Mrs. Linda Mays' Kindergarten wearing their masks and preparing to eat birthday cake.
